KEEPING SANDOWN BEAUTIFUL SINCE 2008

The Sandown Garden club does more than just tend to gardens, we connect you with people of the local and surrounding communities, plants of various species, and programs that provide inspiration and education.

OUR NEXT EVENT!!!!

Sandown Garden Club

ATTRACTING POLLINATORS

This presentation will cover the different types of pollinators, why protecting pollinators is important, and how home gardeners can recognize and overcome threats to pollinators.

Donna Miller is a UNH Extension Master Gardener and the owner of Petals in the Pines, a Certified Nature Explore Classroom.

Monday, May 7, 6:30 p.m.

Sandown Recreation Center
Pheasant Run Drive (Off Rte. 121 A)

Sandown Garden Club donates books to Sandown Library

Recently the Sandown Garden Club donated a variety of informative and educational gardening books to the Sandown Public Library. Library Director Deborah Hoadley and members of her staff made selections that they felt would stimulate an interest in gardening, horticulture, floral and landscape design and the environment for both adults and children. Among the books chosen were "Shakespeare's Gardens", "Glorious Shade", "Weeds", "Heirloom Plants", "The Jam Maker's Garden", "Letter to a Young Farmer", "All the Presidents' Gardens", "Glass Gardens", "Beatrix Potter's Gardening Life", "Ikebana" and "Room to Bloom". These books, along with previous annual donations and the free public programs sponsored by the Sandown Garden Club throughout the year are the club's ongoing way of giving to the community. The Sandown Garden Club is a non-profit organization and a member of the New Hampshire Federation of Garden Clubs, Inc. and National Garden Clubs, Inc. Most meetings are held on the first Monday of the month, March to October, beginning at 6:30pm in the Sandown Recreation Center. New members are always welcome and being a Sandown resident is not required. If you would like more information on membership and upcoming events be sure to visit the website www.sandowngardenclub.org.

PROJECTS

JOIN

US!!

Gardening is cheaper than therapy ... and you get tomatoes!!

Sandown Garden Club is not just about gardening and you don't have to be a gardener to join. We service our local community in providing inspirational programs and activities that people from all areas can join in on.

Building, planting, and harvesting a garden can be a therapeutic process in it's own right.
