Welcome to the Sandown Garden Club.

The Sandown Garden Club was founded in April 2008. We are a member of the New Hampshire Federation of Garden Clubs, Inc. and the National Garden Clubs, Inc. Our symbol is the Lady's Slipper Orchid (*Cypripedium acaule*), which grows wild in the mixed hardwood and pine forests in Sandown and the immediate area.

We meet monthly on the first Monday – March to November in the Sandown Recreation Center at 25 Pheasant Run Drive, about a half mile north of the town hall on Route 121

“Sandown Garden Club donates library books to Sandown Public Library”

The annually donated books are just one of the free programs sponsored by the club throughout the year as our way of giving back to the community that has supported us! Among this year's titles are: "Garden Builder," "The Garden in Every Sense and

Season," "Grow.Food.Anywhere," "The Hidden Life of Trees,"
"Our Native Bees," and "Native Plants for New England
Gardens."

Consider becoming a member of this wonderful club.
